

# 12 SIGNS HE LIKES YOU BUT IS HIDING IT!

1

## He will gaze at you.

Men, like women, are visual beings, but when someone constantly looks at someone, the scene becomes suspicious.

2

## Initially, nervousness while talking.

Though he is bold in gazing at you but when it comes to talking, you will notice his nervousness.

3

## Later, he will have longer conversations.

Through his conversation, he will try to impress you even by making his voice sexy.

4

## His utmost care for you.

As he wants you, he will come with all his attention to you. Even for a single moment, you will not feel ignored.

5

## He will tell you about your special dates.

To your amazement, after spending considerable time with you, he will tell you about your special dates.

6

## Encourages you with his compliments.

Human beings are not perfect. They have flaws. They can only be perfect for those who love them.

7

## With you, he will forget about everything.

The guy who likes you but is hiding it will also forget about everything when he is with you.

8

## He will plan to spend time with you.

During spending time, he will try to make you happy. It will be his utmost try not to let you get bored.

9

## He will improve his looks.

If he is already a handsome guy with a good aesthetic sense of dressing, you will notice an improvement in that.

10

## He will all be a helping hand for you.

They come closer to us, who give us their helping hand when we are in need. Indeed, they occupy a special place in our hearts.

11

## His eyes will have a special spark.

The mirths of your company will be dominant in his eyes. He will have a special smile on his lips, with a touch of shyness.

12

## He will try to impress you.

To whom we like, to impress that individual is our priority as it is the only way to get the concern alleviated.
