

WHAT TO DO WHEN A GIRL IS LOSING INTEREST IN YOU?

1

Be courteous more than ever.

Practice courtesy and be steadfast in this regard. Things will start getting better.

2

Make her feel special.

According to your financial health, you can make merry with her by visiting some favorite places of hers.

3

Give priority to her interests.

If one stays serious and considers himself sensible, he will be compelled to give himself priority.

4

Let her grow in her way.

Let your lady grow in her way. If possible, be her assistant. She is not going to be overgrown.

5

Bring fatherly affection to her.

To restore her feeling, a touch of fatherly affection will assist you to the next level of reconciliation.

6

Avoid overpursuing.

Avoiding overpursuing will make her feel comfortable and being comfortable with you will secure you more of her love and care.

7

Make her feel secure.

You should give primacy to your self-growth to make your lady realize that she is going to have a great life with you.

8

Communicate to listen to her.

In relationships, its importance increases as it is helpful to understand the basic nature of the problem.

9

Develop romance instead physical intimacy.

As you see that she agrees to reconciliation. Don't hurry to be sexual with her. Give her time. She was hurt.

10

Share her duties.

Even if it is hard for you, at least stand with her in the kitchen. You can tell her little jokes.

11

Double the dose of love.

Be persistent in your love dealings with her and keep adding courteous manners to them to get the best results.

12

Give her some space.

When you see that she has restored her feelings for you somehow and you have dealt with her politely.
