

HOW TO KEEP YOUR GIRL INTERESTED IN YOU?

1

Be charming and Interesting.

What we need is to realize which traits can make us charming. Adopting these traits is the job done.

2

Be Polite and Courteous.

Pretty face and charming personalities matter but not more than polite behavior and courteous manners.

3

Give Her a Sweet Smile.

By your smile, she will judge you as a pleasant guy. Your smile will also make her smile, and that's what you want.

4

Respect Her, Emotions, and her Family.

Respect means giving prestige to others, even when they have different ideas.

5

Give Her Priority.

They are indulged in different things and a lack of interest creates a cold wall between them.

6

Visit Her With Surprised Presents.

When you visit her, never forget to hand over her surprising presents off and on.

7

Pamper and Cuddle Her.

Whenever she behaves like it, let her behave. Even assist her by pampering her.

8

Bring Novelty and Be Unpredictable.

The guy who brings novelty to his person and is unpredictable fascinates the girls to a large extent.

9

Be comfortable To Her.

When you are comfortable with your girl, she will love to spend time with you.

10

Make Her Feel Protected And Secured.

To make your girlfriend interested in you be devoted to her and give her a sense of security.

11

Appreciate Her.

Appreciation and encouraging compliments are the key factors to a healthy relationship.

12

Be Honest, Be a Man.

Being honest makes you and your sayings trustworthy and it conveys your partner to believe you.
