

# 07 BEST PLACES TO MEET & FLIRT

1

## Parties & Functions.

Parties and functions are set to get refreshed. They breed scenes of jubilation, and almost everyone who attends the party or function is having the best version of their fresh mood.

2

## Drinking Places.

Here, broad-minded and up to dated fellows are found in abundance. They know about flirting and do consider it a playful act to be amused.

3

## Learning Places.

These institutions include colleges, academies, and universities. These places are usually thronged with young blood who are in search of mates.

4

## Work Place.

There are obvious and certain rules at every workplace and you will find no sign boards written, "It's fitting time" or "It's flirting area."

5

## During Sports & Games.

Sports, games, and hobbies provide an atmosphere of flirting. In sports and games, if you are a good athlete, there are higher chances you will be succeeded in your attempt at flirting.

6

## Among Spectators.

Sports grounds provide the best place for flirting. Even if you are not an athlete, being a spectator of football, cricket, tennis, or horseracing, you can alleviate your concern about flirting.

7

## Parks & Gyms.

Parks are gyms are there all around the world. People who visit these areas are in a jolly and fresh mood. They flirt and welcome flirting behavior.
