

# 8 SIGNS A GUY IS FLIRTING WITH YOU!

1

## Preening And Grooming.

By giving the finishing touch to their looks, men are found preening. By preening, he will try to display the best version of his appearance so that he may get your attention.

2

## Flash Of The Eyebrow.

To send a flirting signal use of eyebrows is a common nonverbal device among men. While flirting, men use their eyebrows on a special note.

3

## Hands-On-Hips Posture.

It means he is ready to display his best version. According to Psychology, this posture of a guy indicates that he is showing his superiority over the rest ones of his gender.

4

## Cowboy Posture.

To convey his flirting signal, a guy usually attaches his thumbs to the hooks of his belt. He may also put his few fingers in the pants of his pockets.

5

## Wooing Posture.

If you come across a guy who just pulls his stomach, blows out the chest, and stands erect, be sure he is sending you a flirting signal without warning.

6

## Gentleman Etiquette.

Men give extra respect to those ladies with whom they intend to flirt. They also make the lady assured that she is worthy of their respect and care.

7

## Room Scanning.

Scanning the room, men are on double duty. They are searching for their favorite women and also sending their flirting messages to that special one whom they find most attractive.

8

## Sensation Of Touch.

Touch has sensation. But when it comes to flirting, the sensation doubles. Sometimes hands tremble and face blushes in the heat of emotions.
